查找并预留考位

Search for and reserve an exam seat

- 在地址栏里输入你的学校所对应的考试城市，建议输入中文城市名检索，可在下面网站查看你的学校对应的考试城市<https://www.prometric.com.cn/apexamlocation>。
- 开始日期和结束日期会自动显示为该考试的考试日期，请勿自行修改。
- 显示出的考场列表学生都可以进行选择，这里不体现具体考场信息，只提供考位进行预留，考场及考位没有区别，只需确认城市正确即可。
- 学生务必点击具体考试日期及时间进行确认，然后才能进行下一步操作。
- Art 2D/3D/Drawing and AP Research显示的安排预约日期为作品集上传截止日期，请以AP官方信息为准。
- 请注意，如果系统显示“无可用座位”或考试时间不能显示，请稍后再试。这个问题是由于系统访问量导致，并不是考位已被预订完。同时检查日期的选择是否和当前缴费科目的考试日期一致。
- Enter the exam city corresponding to your school in the address bar. It is recommended to use the city's name in Chinese for the search. You can check the website below to find your exam city: <https://www.prometric.com.cn/apexamlocation>.
- The start and end dates will automatically show the exam dates for the specific test. Please do not modify them manually.
- The displayed list of testing centers can be selected by students. Specific testing center details are not provided here; only seat reservations are offered. There is no difference between testing centers and seats; you only need to confirm the city.
- Students must click on the specific exam date and time to confirm before proceeding to the next step.
- For Art 2D/3D/Drawing and AP Research, the displayed scheduled appointment dates are the deadlines for portfolio submission. Please refer to the official AP information.
- Please note that if the system shows 'No available seats' or the exam time cannot be displayed, please try again later. This issue is due to high system traffic and does not mean that all exam slots have been booked. At the same time, check whether the selected date matches the exam date of the subject for which payment has been made.

核对报名信息

Verify registration information

- 请仔细核对AP ID, 姓的拼写 (显示在姓氏字段中), 名的拼写和中文姓名 (显示在名字字段中), 须与你的AP Profile信息一致, 如不一致建议先返回MyAPChina进行同步更正。错误的信息会导致最终无法参加考试。
- 如AP Profile与MyAPChina信息均有误, 同时临近缴费截止日期, 也可先完成缴费, 12月登录My AP确认考试科目成功订购时, 可先联系College Board AP Services进行AP Profile更正后再同步更正到MyAPChina。
- 在下一个页面再次核对个人信息、缴费科目、考试城市、考试费等信息后, 进入下一步进行缴费。
- Please carefully verify your AP ID, the spelling of your surname (as shown in the "Last Name" field), and the spelling of your given name and Chinese name (as shown in the "Given Name" field); these must match the information in your AP Profile. If there are discrepancies, it is recommended that you return to MyAPChina to make correction first. Incorrect information may prevent you from taking the exam.
- If the information in both your AP Profile and MyAPChina is incorrect and the payment deadline is approaching, you may proceed with the payment. When you log in to My AP in December to confirm that your exam subjects have been successfully ordered, you can contact College Board AP Services to correct your AP Profile and then make the correction to MyAPChina.
- On the next page, review your personal information, subjects to be paid for, test city, exam fees, and other details again, then proceed to the next step to make the payment.
